# FIRST BAPTIST NEW ORLEANS

July 20, 2014

**MINISTRY REFLECTION:**  
 a glimpse of God at work in our midst

**The Gospel—Living and Effective**

Four times on Wednesday, the pastor shared the truth of the gospel with our VBS children. Each presentation was a little bit different—shaped by the age, attention, and understanding of the group. But the truth remained the same. He told the children that God loves, that people sin, and that Jesus came to bring sinful people back into fellowship with a holy God. I was amazed at the questions the children asked of their pastor.

"How do I open the door to my heart?"

"Does God hear me when I pray?"

"Why did Jesus have to die? It should have been me."

These children are listening. Whatever their age or level of understanding, they hear us when we speak and sing about Jesus. And they wonder about it. An entire week of Bible study and worship makes a huge impact.

On Wednesday, the morning of the gospel presentation, one volunteer told our children's minister that she hadn't slept a wink the night before. God kept waking her up to pray for the children. "Children are going to receive Christ today!" she said.

She was right. I told the children who had invited Jesus to be the ruler of their lives that they were now brothers and sisters in Christ. I told them I was their sister, too. Hannah seemed to be really excited about being a part of the family of God. Aidan told me I was much too old to be his sister. I smiled and said that even the pastor was his brother now. He looked skeptical on that one, but still managed a shy, "Hello Bro!"

Please continue to pray for the 380 children who attended VBS/CAC this week. God's Word continues to work long after it has been sown. He has a plan for each of their lives!

**RETWEETING JESUS: Out of the Same Mouth | James 3:1-12**

We ought to be honest and kind. It may sound like a weak word, but "ought" is actually a very powerful word describing a pervasive reality in human experience. We live under the weight of moral imperatives including this one—control your tongue.

**Wednesday Night Bible Study | Fellowship Hall | 6:00 pm:** We are studying *Seven Hard Sayings of Jesus* from the book of Matthew. Jesus said, "Just as you can identify a tree by its fruit, so you can identify people by their actions." Jesus left us both his example and his words so that people of the world will look at us—and recognize him. Come be a part as we study this series together.

**Recovery Care Hiatus:** Recovery Care will not meet for the remainder of the summer. Please be watching for some exciting new 8-week studies starting in September.

**Retweeting Jesus T-Shirts:** We will be selling the #retweetingJesus t-shirts in the lobby today. Small, medium, and large sizes are available at a cost of \$10 if you would like to purchase one.

**2014 Global Impact Offering:** We are two-thirds of the way through our Global Impact year, and you have given nearly \$60,000 to missions above and beyond your tithe. Well done, FBNO! This means that we have sent nearly \$27,000 to International Missions, \$6,000 to North American Missions, and another \$6,000 to missions in New Orleans and all over Louisiana. Nearly \$12,000 has funded mission trips and scholarships, and \$9,000 has gone to fund Care Effect. Please keep up the good work, folks! We have another four months to reach our yearly goal of \$90,000. Global Impact Offering does not support the operating budget of FBNO, but is above and beyond our regular tithes. You may give to this offering by using the special envelope in the pew or by designating "Global Impact" in the memo line of your check to FBNO. You may also designate donations to Global Impact online.
